

Food and clothing

All meals are provided as part of conference registration, and there are shops, including a supermarket, chemist etc. within a short walk of campus for most things you might need.

Maynooth campus is notoriously muddy and badly organised for pedestrians; at the moment anyone coming to the conference venue has to walk along a road used by the machines on a building site, which makes things particularly unpleasant underfoot. We recommend wearing "stout, sensible" shoes.

For the Sunday bus tour, which will involve us being outdoors in the Irish weather, bring raingear and boots or shoes.
